Dear Hal,

As you state on page 289 of "Post Mortem", "Framed, then Murdered, Robert Kennedy was assassinated twice."

But I agree with Garrison that R.F.K.'s silence and defense of The W.C. signed His own death warrant.

It also was a barrier to you.

How many times have you asked, "if R.F.K. is satisfied, why aren't you?"

Stay well.

Sincerely,

Ed Williams
